Gonna shout it from the mountaintops
A star is born
It's a time for pulling out the stops
A star is born
Honey, hit us with a hallelu
The kid came shining through
Girl, sing the song
Come blow your horn
A star is born

He's a hero who can please the crowd
A star is born
Come on ev'rybody shout out loud
A star is born
Just remember in the darkest hour
Within your heart's the power
For making you
A hero too
So don't lose hope when you're forlorn
Just keep your eyes
Upon the skies
Ev'ry night a star is
Right in sight a star is
Burning bright a star is born

Like a beacon in the cold dark night
A star is born
Told ya ev'rything would turn out right
A star is born
Just when ev'rything was all at sea
The boy made history
The bottom line
He sure can shine
His rising sign is Capricorn
He knew 'how to'
He had a clue
Telling you a star is born

Here's a hero who can please the crowd
A star is born
Come on ev'rybody shout out loud

A star is born
Just remember in the darkest hour
Within your heart's the power
For making you
A hero too
So don't lose hope when you're forlorn
Just keep your eyes
Upon the skies
Ev'ry night a star is
Right in sight a star is
Burning bright a star is born
