Tell me I'm forgiven and loved  
Cause I hear it from the street corner priests  
Oh how God is love and man can be clean  
But my joy has been on holiday  
And my peace has almost passed away  
Tell me I'm forgiven and free

[Chorus:]

Oh I tried and tried to rectify my hopeless situation  
But I bought the lie I still have work to do  
Now I'm working nine to five like I can earn my own  
salvation  
But there is no condemnation in You

Oh wisper to me now it's for real  
'Cause in the silence of these walls righteousness lost  
its appeal  
Dirty deeds have done me in  
O but that can't stop the faithful friend

Giving mercy once again as you heal  
Here it is I'm feeling it

[Repeat Chorus:]

Oh He died, He died to rectify my hopeless situation  
And His blood commands my guilt to leave  
Now on Calvery I stand  
Empty pockets, open hands  
O there is no condemnation for me

[Repeat Chorus:]

Child, you're forgiven and loved  
Child, you're forgiven and loved  
Child, you're forgiven  
And child, you are loved  
Child, you're forgiven and loved
