BOY GEORGE

I don't know much, but I know what I feel  
There's too many people fighting, tied to the wheel  
I don't know much, but I know what I see  
There's too many people crying, washed out to sea  
Generations of love  
Generations of love (generations of love)  
Generations of love (generations of love)  
Have done you wrong  
I don't know you, no, but you know what I am  
Hey I don't need redemption, or no government plan  
No big AIDS sensation  
No 28 Clause  
The end of apartheid  
No message of war  
Generations of love  
Generations of love (generations of love)  
Generations of love (generations of love)  
Have done you wrong  
The jew and the gentile  
The black and the gay  
The lost and the futile  
They've all got something to say  
The African nation  
The sword of Islam  
The rebels in China  
The Sikhs and the Tams  
The house of our father  
The volumes of guilt  
The luck of the Irish  
The blood that we spilt  
The angels and martyrs  
The lovers and saints  
The sisters of mercy  
The brothers of pain  
Generations of love  
Generations of love (generations of love)  
Generations of love (generations of love)  
Have done you wrong
