FLORENCE:

If it were love I would give that love every second I had

And I do

Did I know where he'd lead me to?

Did I plan

Doing all of this for the love of a man?

Well I let it happen anyhow

And what I'm feeling now

Has no easy explanation

Reason plays no part

Heaven help my heart

I love him too much

What if he saw my whole existence

Turning around a word, a smile, a touch?

One of these days, and it won't be long, he'll know
more

about me

Than he should

All my dreams will be understood

No surprise

Nothing more to learn from the look in my eyes

Don't you know that time is not my friend

I'll fight it to the end

Hoping to keep that best of moments

When the passions start

Heaven help my heart

The day that I find

Suddenly I've fun out of secrets

Suddenly I'm not always on his mind

Maybe it's best to love a stranger

Well that's what I've done -- heaven help my heart

Heaven help my heart
