(Meg)

If theres a prize for rotten judgement
I guess I've already won that
No man is worth the aggravation
Thats ancient history, been there done that

(Muses)

Who'd you think you're kidding
He's the earth and heaven to you
You try to keep it hidden
Honey we can see right through you
Girl cant concieve it
We know how you're feeling
And who you're thinking of

(Meg)

Oh, no chance no way, i wont say it no no

(Muses)

You swoon, you sigh
why deny it uh oh

(Meg)

Its still cliche I wont say I'm in Love

(Meg)

I thought my heart had learned it's lesson
It feels so good when you start out
My head is saying get a grip girl
Unless you're dying to cry your heart out

(Muses)

You keep on denying
Who you are and how you're feeling
Baby we're not buying
Hon we saw you hit the ceiling
Face it like a grown up
Where you're gonna hold up that you go got
Got it BAD

(Meg)

Oh, no chance no way, i wont say it no no

(Muses)

Give up

Give in

Check the grin you're in love

(Meg)

The scene wont play, i wont say it

(Muses)

You're doing flips, read our lips you're in love

(Meg)

You're way off bass, i wont say it

Get off my case, i wont say it

(Muses)

Girl, dont be proud

Its okay you're in love

(Meg)

At least out loud...

I wont say I'm in.....love
