Spoken:

Hi - Hi! We're your Weather Girls - Ah-huh -  
And have we got news for you - You better listen!  
Get ready, all you lonely girls  
and leave those umbrellas at home. - Alright! -  
Humidity is rising - Barometer's getting low  
According to all sources, the street's the place to go  
Cause tonight for the first time  
Just about half-past ten  
For the first time in history  
It's gonna start raining men.  
It's Raining Men! Hallelujah! - It's Raining Men! Amen!  
I'm gonna go out to run and let myself get  
Absolutely soaking wet!  
It's Raining Men! Hallelujah!  
It's Raining Men! Every Specimen!  
Tall, blonde, dark and lean  
Rough and tough and strong and mean  
God bless Mother Nature, she's a single woman too  
She took off to heaven and she did what she had to do  
She taught every angel to rearrange the sky  
So that each and every woman could find her perfect  
guy  
It's Raining Men! Hallelujah! - It's Raining Men! Amen!  
It's Raining Men! Hallelujah!  
It's Raining Men! Ame-----n!!!  
I feel stormy weather / Moving in about to begin  
Hear the thunder / Don't you lose your head  
Rip off the roof and stay in bed  
God bless Mother Nature, she's a single woman too  
She took off to heaven and she did what she had to do  
She taught every angel to rearrange the sky  
So that each and every woman could find her perfect  
guy  
It's Raining Men! Yeah!  
Humidity is rising - Barometer's getting low  
According to all sources, the street's the place to go  
Cause tonight for the first time  
Just about half-past ten  
For the first time in history  
It's gonna start raining men.

It's Raining Men! Hallelujah! - It's Raining Men! Amen!  
It's Raining Men! Hallelujah! - It's Raining Men! Amen!  
It's Raining Men! Hallelujah! . . .
