My first kiss went a little like this \*kiss\* and twist \*kiss\*  
\*kiss\* and twist.

Well my first kiss went a little like this \*kiss\* and twist  
\*kiss\* \*kiss and twist.

I say no more teachers and no more books  
i gotta kiss underneath the bleachers hopin that  
nobody looks

Lips like liquorice tounge like candy  
"excuse me miss but can i get you out your purse"

In the back of the car on the way to the bar  
I got you on my list I got you on my list

At the foot of the stairs with my fingers in your hair  
baby this is it

She won't ever get enough What she gets a little touch  
She fired it my way You know how to make it say

oooooooooooooooooh  
oooooooooooooooooh

She won't ever get enough what she gets a little touch  
She fired it my way you know how to make it say

oooooooooooooooooh  
oooooooooooooooooh

My first kiss went a little like this

I said no more sailors and no more soldiers

With your name in a heart tattoed on my shoulder

Sizzorrs like whiskey it gets me drunk  
and i wake up in the morning with the taste of your  
tongue

In the back of the car  
On the way to the bar

i got you on my list, i got you on my list

At the foot of the stairs  
with my fingers in your hair  
baby this is it

She won't ever get enough  
What she gets a little touch  
She fired it my way  
You know how to make it say  
oooooooooooooooooh  
oooooooooooooooooh

She won't ever get enough  
What she gets a little touch  
She fired it my way  
You know how to make it say

oooooooooooooooooh  
oooooooooooooooooh

My first kiss went a little like this \*kiss\* and twist \*kiss\*  
\*kiss\* and twist.  
Well my first kiss went a little like this  
\*kiss\* and twist \*kiss\* \*kiss and twist.

She won't ever get enough  
What she gets a little touch  
See if i had it my way  
You know that i make it say

oooooooooooooooooh  
oooooooooooooooooh

She won't ever get enough  
What she gets a little touch  
She fired it my way  
You know how to make it say

oooooooooooooooooh  
oooooooooooooooooh

She won't ever get enough  
What she gets a little touch  
She fired it my way  
You know how to make it say

oooooooooooooooooh  
oooooooooooooooooh

She won't ever get enough

What she gets a little touch  
She fired it my way  
You know how to make it say
