Love  
Has never been easy for me  
Can't you see  
I have always been lonely  
Faith  
It seems like a mystery  
Girls like me  
Have to hide our hearts away  
If only we could live one day  
Without the need to hide away  
I'd tell the truth to everyone  
How I live for you  
But people never understand  
They'll destroy us if they can  
Say we were struck down by the hand  
Of Heaven  
We must be wise  
And keep our disguise  
Stand by our lies  
My Secret Love  
I refuse  
To think of losing you  
I won't give the world  
The chance of accusing you  
I refuse  
I'd sooner die than tell  
I'm under your sweet spell  
My Secret Love  
No  
Don't say a single word  
Can't be sure  
Can't be sure that we won't be heard  
Like Romeo and Juliet  
They will chase us to our deaths  
Than voice their false regrets  
The liars  
But since the day that we first met  
And until I take my dying breath  
I will be tangled in your net  
Of desire  
I refuse

To think of losing you  
I won't give the world  
The chance of accusing you  
I refuse  
I'd sooner die than tell  
I'm under your secret spell  
My Secret Love  
I refuse  
To think of losing you  
I won't give the world  
The chance of abusing you  
I refuse  
To tell the truth of you  
I refuse for you  
My Secret Love
