Woah  
Woah

Listen up I'm gonna' tell you bit about myself  
I got a situation, ain't concerning nobody else  
Just you and what you can do for me  
(Ooh)

I had the life of ordinary, I spat it out  
Now my condition's kind of scary, I need you now  
Not love but I need something else

So here's my confession  
(This time x2)  
Don't just want you to love me  
I want to be your attention  
(This time x2)  
Want my name on the Marquee

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession

(Whoa)

I'll fake sick, shy until you never let me go  
So I can be your addiction in the stereo  
I could be, just your type of high  
(I can give what you like)

Your talkin' bout' the narcissist, it means, in Hollywood  
I'm lovin' myself, the word I need's for you to feel good  
(Let's go)  
Let the music just take control

So here's my confession  
This time  
This time  
Don't just want you to love me

I want to be your attention  
This time  
This time  
Want my name on the Marquee (Whoa)

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession  
I want to be your Obsession

Whoa  
Whoa  
Whoa

Ain't nothing wrong with OCD  
Long as it's for me, long as it's for me

Ain't nothing wrong with OCD  
Long as it's for me, long as it's for me

Here's my confession  
This time  
This time  
Don't just want you to love me  
I want to be your attention  
This time  
This time  
Want my name on the Marquee (Whoa)

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession  
I want to be your Obsession  
I want to be your Obsession

Oooh
