Savior, please take my hand  
I work so hard, I live so fast  
This life begins, and then it ends  
And I do the best that I can, but I don't know how long  
I'll last  
I try to be so tough  
But I'm just not strong enough  
I can't do this alone, God I need You to hold on to me  
I try to be good enough  
But I'm nothing without Your love  
Savior, please keep saving me

Savior, please help me stand  
I fall so hard, I fade so fast  
Will You begin right where I end  
And be the God of all I am because You're all I have

Hallelujah  
Everything You are to me  
Is everything I'll ever need  
And I am learning to believe  
That I don't have to prove a thing  
'Cause You're the one who's saving me
