Come on everybody, gather 'round  
I'm going to show you how to knock 'em down  
When I'm on the ball, I'm the number one  
And I'm gonna show you how it's done  
Let's bowl, let's bowl, let's rock n' roll  
Hey come on, let's the show on the road  
Let's bowl, let's bowl, let's rock n' roll  
The stakes are a bomb that's about to explode  
We're gonna score tonight  
We're gonna score tonight  
If you're looking for a fight, and the time is right  
We're gonna wipe the floor with you tonight  
We're gonna score tonight  
We're gonna tonight  
We're gonna rock, we're gonna roll, we're gonna bop,  
we're gonna bowl  
We're gonna score, score, score tonight  
Hey Paulette, take a look over here  
I'm your kingpin honey, and I'm getting in gear  
Hey Johnny, Johnny, go and bowl that strike  
And I just might be your baby tonight  
Let's bowl, let's bowl, let's rock n' roll  
Hey, come on, let's get the show on the road  
Let's bowl, let's bowl, let's rock n' roll  
The stakes are high, and the winner takes all  
We're gonna score tonight  
We're gonna score tonight  
Don't get sore when you lose tonight  
We're gonna show you how to do it right  
We're gonna score tonight  
We're gonna score tonight  
We're gonna score tonight  
We're gonna score tonight  
We're gonna score tonight  
We're gonna score tonight
