You Feel Out Of Breath
Used Up And Broken Down
Just Like A Shattered Glass
In Pieces On The Ground
Some Days You Wanna Scream
But Can't Make A Sound
But You're Not Alone

Here Comes Another Day
Here Comes Another Fight
You Rather Give It Up
Than Give It One More Try
'Cause No One Understands
The Way You Feel Inside
But You're Not Alone

(Chorus):
Right Now It Feels Like The End Of The World
All Your Battles Are Lost You've Been Cheated
Mistreated
Just When You Think That You Can't Hold On Any
Longer
Hold On A Little Bit Longer Trust Me You'll See
You'll Be So Much Stronger
You'll Be So Much Stronger

It's Only Temporary
But It Feels Like You're Stuck
Like No Wishing Well
But It Will Change Your Lucky
They Say When One Doors Closes
Another Opens Up
You Walk On Through
Yeah You Know What To Do

(Chorus):
Right Now It Feels Like The End Of The World
All Your Battles Are Lost You've Been Cheated
Mistreated
Just When You Think That You Can't Hold On Any
Longer
Hold On A Little Bit Longer Trust Me You'll See

You'll Be So Much Stronger
You'll Be So Much Stronger

You Might Have To Bend But You're Not Gonna Break,
Wipe The Tears From Your Eyes And The Fear From
Your Face,
You Know Deep Down Inside You've Got What It Takes!

Chorus):

Right Now It Feels Like The End Of The World
All Your Battles Are Lost You've Been Cheated
Mistreated
Just When You Think That You Can't Hold On Any
Longer
Hold On A Little Bit Longer Trust Me You'll See
You'll Be So Much Stronger
You'll Be So Much Stronger

You'll Be So Much Stronger . . .
