This might hurt, it's not safe
But I know that I've gotta make a change
I don't care if I break,
At least I'll be feeling something
'Cause just okay is not enough
Help me fight through the nothingness of life

I don't wanna go through the motions
I don't wanna go one more day
without Your all consuming passion inside of me
I don't wanna spend my whole life asking,
"What if I had given everything,
instead of going through the motions?"

No regrets, not this time
I'm gonna let my heart defeat my mind
Let Your love make me whole
I think I'm finally feeling something
'Cause just okay is not enough
Help me fight through the nothingness of this life

'Cause I don't wanna go through the motions
I don't wanna go one more day
without Your all consuming passion inside of me
I don't wanna spend my whole life asking,
"What if I had given everything,

instead of going through the motions?"

take me all the way (take me all the way)
take me all the way ('cause I don't wanna go through
the motions)
take me all the way (I know I'm finally feeling
something real)
take me all the way

I don't wanna go through the motions
I don't wanna go one more day
without Your all consuming passion inside of me
I don't wanna spend my whole life asking,
"What if I had given everything,
instead of going through the motions?"

I don't wanna go through the motions
I don't wanna go one more day
without Your all consuming passion inside of me
I don't wanna spend my whole life asking,
"What if I had given everything,
instead of going through the motions?"

take me all the way (take me all the way)
take me all the way (I don't wanna go, I don't wanna go)
take me all the way (through the motions)
take me all the way

I don't wanna go through the motions
