Matthew Wilder, David Zippel

Baby, I knew at once that

you were meant for me

Deep in my soul I know

that I'm your destiny

Though you're unsure

Why fight the tide

Don't think so much

Let your heart decide

Baby, I see your future

and it's tied to mine

I look in your eyes and see

you searching for a sign

But you'll never fall

Till you let go

Don't be so scared

Of what you don't know

True to you heart

You must be true

to your

Matthew Wilder, David Zippel

Baby, I knew at once that

you were meant for me

Deep in my soul I know

that I'm your destiny

Your heart can tell

you no lies

And when you're true

to your heart

I know it's gonna lead

you straight to me

(Got to be true

To your heart)

Someone you know is on

your side, can set you free

I can do that for you if

you believe in me

Why second-guess

What feels so right

Just trust your heart

And you'll see the light

Chorus:

True to you heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart will tell you no lies  
And when it's true to your heart  
I know it's gonna lead you straight to me  
(Ya know it's true)  
Your heart knows  
what's good for you  
(Good for you)  
Let your heart show  
you the way  
(Ya know it's true)  
It'll see you through  
(Got to be true  
To your heart)  
Girl, my heart is driving  
me to where you are  
Well, you can take both hands off  
the wheel and still get far  
Be swept away  
Enjoy the ride  
You won't get lost  
With your heart to guide you  
[Chorus]  
True to you heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart will tell you no lies  
And when it's true to your heart  
I know it's gonna lead you straight to me  
True to you heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart will tell you no lies  
And when it's true to your heart  
I know it's gonna lead you straight to me  
(Got to be true  
To your heart)  
When things are getting' crazy  
And you don't know  
where to start  
Keep on believin', baby  
Just be true to your heart

When all the world around you  
It seems to fall apart  
Keep on believin', baby  
Just be true to your heart
