All
Today we're living in a shanty
Today we're scrounging for a meal
Sophie
Today I'm stealing coal for fires
Who knew i could steal?
Men
I used to winter in the tropics
Women
I spent my summers at the shore
Fred
I used to throw away the paper--
All
We'd like to thank you: Herber Hoover
For really showing us the way
We'd like to thank you: Herbert Hoover
You made us what we are today
Prosperity was 'round the corner
The cozy cottage built for two
In this blue heaven
That you
Gave us
Yes! We're turning blue!
They offered us AL Smith and Hoover
We paid attention and we chose
Not only did we pay attention
We piad through the nose.
In ev'ry pt he said "a chicken"
But Herbert Hoover he forgot
Not only don't we have the chicken
We ain't got the pot!
Hey Herbie
Women
You left behind a greatful nation
All
So, Herb, our hats are off to you
We're up to here with admiration
Sophie
Come down and have a little stew
All
Come down and share some Christmas dinner

Be sure to bring the missus too
We got no turkey for our stuffing
We'd like to thank you, Herbert Hoover
For really showing us the way
You dirty rat, you
Bureaucrat, you
Made us what we are today
Come and get it, Herb!
