It all comes over me
i'd really like to see
why did you have to go
i need to know
i miss you so
If i could turn back time
i would have changed your mind
i'd never let you go
i loved you so
but still i know
What difference does it make if i still want you
when i know for sure that i cant make you mine
what difference does it make if i still need you
when we already had waved that last goodbye,
goodbye
goodbye
How was i to know
when you sad you loved me so
it all was make belive
i try to see
is it up to me
What difference does it make if i still want you
when i know for sure that i cant make you mine
what difference does it make if i still need you
when you
