I wanna know why
You never let me know
I wanna know why
You never let me go
Oh yes I really wanna know

You wanna know why
I never let you know
You wanna know why
I never let you go
Oh yes You really wanna know

You really wanna know
My secret garden, my Idaho
You really wanna know
Although You 'd better never know

You really wanna know
My muddy waters, my overflow
But if You ever know
Then You will go
I don't want You to go

You wanna know why
I never let you know
You wanna know X2
Why I never let You go
You wanna know
I don't want you to go

You really wanna know
My muddy waters, my overflow
But if You ever know
Then You will go
I don't want You to go

You wanna know why
I never let you know

You wanna know X2
Why I never let You go
You wanna know
I don't want you to go
