Short skirt, on a magazine
Black shoes, sweet sixteen
Baby baby could you be like her ?

We can work it out
You can't buy me love
Baby babe you can kiss my
Sweetheart You can lick my legs

You can ring my bell
You can drive my car
You can call me Al
You can light my fire

Would You be my girl ?
You can lick my legs

You can't have it all
You can't hurry love
Baby babe, would You be my girl ?
Sweetheart You can lick my legs

You can ring my bell
You can drive my car
You can call me Al
You can light my fire

You can't touch this
We can work it out
You can leave your hat on
You can't put your arms
