Van Laeken/Van Laeken-Bibot)

The girl next door should be dancing on my dancefloor
The girl next door is the one I am looking for
The girls next door looks greener on the other side
She sings and shouts all day and all night

Maybe she is pretentious
Maybe she is posh
Maybe she is a gangster
Maybe she is trash

Le type d'Ã© c'Ã© t'Ã© n'arrÃ©te pas de m'observer
Je devrais l'inviter Ã© venir boire un thÃ©
The girl next door moves like Drew Barrymore
She likes beer and wine and a whole lot more

Maybe she is pretentious
Maybe she is posh
Maybe she is a gangster
Maybe she is trash

Somebody is banging on my door
Somebody is ringing the bell
Somebody is banging on my door
Somebody is ringing the bell

What's that banging on my door ?
I'd better clean out my cell
My clothes are lying on the floor
The stench is gonna outlast hell

Le type d'Ã© c'Ã© t'Ã© ne regarde pas la tÃ©lÃ©
Il met des vieux disques et chante comme Paul Mc
Cartney

Le type d'Ã© c'Ã© t'Ã© est vraiment d'Ã©rangÃ©
Il a refusÃ© de me laisser entrer
