Give me low body giration
Give me low body giration

My dog is like an angel
My dog is like a cat
My wife became his mother
And I became his dad

Do the cat, do the dog
Can your pussy, pussy, pussy do the dog ?
Do the cat, do the dog
Can your pussy, pussy, pussy do the dog ?

Do the doggy dog, do the funky cat
Can your pussy, pussy, pussy do the dog ?
Do the doggy dog, do the funky cat
Can your pussy, pussy, pussy do the dog ?
Can your pussy, pussy, pussy do the cat
Can your pussy, pussy, pussy, pussy, pussy do the dog
?

Do the funky, funky, funky, funky dog
Do the funky, funky, funky, funky, cat.
Do the funky, funky, funky, funky dog
Do the funky, funky, funky, funkyâ€¦

Yes I can give anything You want babe
Very low body giration
No problem therefore very very low body giration
But just one thing, please get the dog out of the studio
