(Van Laeken Serge)
marka Editions

Heart beat, bass kicks
Salt & pepper, guitar strumming
Duo voices, nice mix
Flashes, airplay ranking

Two souls float free
Like birds in the sky while they're flirting
Two souls for one dream
Reaching the stars with their singing
Bold as love

Nice & easy, hand in hand,
No sleep tonight, sexy program
Stand together, young as old
Life's a joyride, Silver and gold

Two souls float free
Like birds in the sky while they're flirting
Two souls for one dream
Reaching the stars with their singing
Bold as love

Sugar & cane
Corn & soda
Sugar & cane
Love on the sofa
