Theres another world inside of me  
That you may never see  
Theres secrets in this life  
That I cant hide  
Somewhere in this darkness  
Theres a light that I cant find  
Maybe its too far away...  
Maybe Im just blind...

Maybe Im just blind...

[chorus]

So hold me when Im here  
Love me when Im wrong  
Hold me when Im scared  
And love me when Im gone  
Everything I am  
And everything you need  
Ill also be the one  
You wanted me to be  
Ill never let you down  
Even if I could  
Id give up everything  
If only for your good  
So hold me when Im here  
Love me when Im wrong  
You can hold me when Im scared  
You wont always be there  
So love me when Im gone  
[end chorus]

Love me when Im gone...

When your education x-ray  
Can not see under my skin  
I wont tell you a damn thing  
That I could not tell my friends  
Roaming through this darkness  
Im alive but Im alone  
Part of me is fighting this  
But part of me is gone

[chorus]

Maybe Im just blind...

[chorus]

Love me when Im gone...

Love me when Im gone

When Im gone

When Im gone

When Im gone
