for a long time we've been marching off to battle.
in a thundering herd we feel a lot like cattle.
like the pounding beat our aching feet are'nt easy to
ignore.
hey, think of instead a girl worth fighting for.
huh? that's what i said a girl worth fighting for.
i want her paler than the moon, with eyes that shine like
stars.
my girl will marvel at my strength, adore my battle
scars.
i couldn't care less what she'll wear or what she looks
like. it all depends on what she cooks like. beef, pork,
chicken. mmm.
bet the local girls thought you were quite the charmer.
and i'll bet the ladies love a man in armor.
you can guess what we have missed the most since we
went off to war.
what do we want?
a girl worth fighting for.
my girl will think i have no faults.
that im a major find.
uh, how 'bout a girl who's got a brain? who always
speaks her mind?
nah!
my manly ways and turn of phrase are sure to thrill her.
he thinks he's such a lady killer.
have a girl back home who's unlike any other. yeah the
only girl who'd loves him is his mother.
at thbut when we come home in victory, they'll line up
at door.
what do we want?
a girl worth fighting for!
wish that i had....
a girl worth fighting for!!!
(whistles) a girl worth fighting....
