(piano intro)

Now, this is a song
That I really wanna sing
Under ev'ry cover, baby
The facts still remain

'Cause anytime is the right time
To be with the one you love
With the one you love

I've traveled the country over
Baby, like a tumbleweed
I finally found you, baby
And you is who I need

'Cause anytime is the right time
To be with the one you love
With the one you love

When it's thunderin' an rainin'
Babe, I want you by my side
Because you just my brand, baby
An I want ya for my bride

'Cause anytime is the right time
To be with the one you love
With the one you love

'Look out there, Jimmy boy!'

(alto sax)

If you've been workin' of days
Baby, don't change yo shift
Because sleepin' by myself, mama
Will cause my love to drift

'Cause anytime is the right time
To be with the one you love
With the one you love.

Ah, but it is!
