It's all, It's all

Chorus:

You're my sunshine after the rain
You're the cure against my fear & my pain
'Cause I'm losing my mind
When you're not around
It's all, It's all
It's all because of you

You're my sunshine
Oh yeah

Baby I really know by now
Since we met that day
You showed me the way
I felt it then, you gave me love
I can't describe
How much I feel for you

I said baby I
Should have known by now
Should have been right there
Whenever you gave me love
And if only you were here
I'd tell you
Yes I'd tell you, oh yeah

Chorus

Oohh oh yeah yeeaah

Honestly could you be with me
Like it was before
Neither less nor more
'Cause when I close my eyes at night
I realize that no one else
Could ever take your place

I still can feel and it's so unreal
When you're touching me

Kisses endlessly
It's just a place in the sun,
Where our loves begun
I miss you, yes I miss you
Oh baby yeah

Chorus

If I knew how to tell you
What's on my mind
Make you understand
Then I'd always be there
Right by your side
