Don't wanna talk about the way I am
I only try to make you understand
that my affection is so really true
and my heart has started thumpin' since I met you

Chorus:

Just can't wait until tonight babe
till i have you by my side babe
Just can't wait until tonight babe
for being with you

do[5x] just can't wait
do[5x]
do[5x] for being with you

first time I saw you it just knocked me down
the way you smiled has turned my life around
i never thought that it would catch me so
I'll get my head together cause I want you to know

Chorus:

Just can't wait until tonight baby
till i have you by my side baby
Just can't wait until tonight my lady
for being with you

true love won't be afraid of no one
true love can lead us through the day
I get my head together and I want you to say

Just can't wait until tonight babe
till I have you by my side babe
Just can't wait until tonight babe
for being with you

do[5x]
just can't wait [3x]
for being with you
