Wish I was too dead to cry
A self affliction face
Stones to throw at my creator
Masochist to which I cater

You don't need to bother
I don't need to be
Ill keep slipping farther
But once I hold on
I wont let go till it bleeds

Wish I was too dead to care
If indeed I cared at all
Never had a voice to protest
So you fed me shit to digest
I wish I had a reason
My thoughts are open season
For this I gave up trying
One good time deserves my dying

You don't need to bother
I don't need to be
Ill keep slipping farther
But once I hold on
I wont let go till it bleeds

Wish I'd died instead of lived
A zombie hides my face
Shelf forgotten with it's memories
Diaries left with cryptic entries

And you don't need to bother
I don't need to be
Ill keep slipping farther
But once I hold on
I wont let go till it bleeds

You don't need to bother
I don't need to be, yeah
Ill keep slipping farther
But once I hold on, once I hold on

Ill never live down my disease
