I know a girl.
She puts the color inside of my world.
She's just like a maze,
Where all of the walls all continually change.

And I've done all I can
To stand on the steps with my heart in my hand,
Now I'm starting to see
Maybe it's got nothing to do with me.

Fathers be good to your daughters;
Daughters will love like you do.
Girls become lovers who turn into mothers,
So mothers be good to your daughters, too.

Oh, you see that skin;
It's the same she's been standing in
Since the day she saw him walking away
Now she's left
Cleaning up the mess he made

So Fathers be good to your daughters;
Daughters will love like you do.
Girls become lovers who turn into mothers,
So mothers be good to your daughters, too.

Boys you can break,
You find out how much they can take.
Boys will be strong, and boys soldier on,
But boys would be gone without warmth
From a woman's good, good heart

On behalf of every man, looking out for every girl,
You are the god, and the weight of her world.

Fathers be good to your daughters,
Daughters will love like you do.
Girls become lovers who turn into mothers,
So mothers be good to your daughters, too.[3x]
