Tellin' you right now,
Soon there will nothing to plow,
Soon there'll be nothin' natural,
And everything will be artificial.

In the future i say, in the future i say, in the future i say

*those lyrics were added after 40oz. was recorded
And can be found on almost all live sublime
Recordings.

All of the d.j.s surely have taken a lesson
Start talking trash and i'll come with my smith and
wesson

A little competition comes my way (billy bye)
But it always winds up the same

But "the stone that the builder refused,
Shall be the head corner stone"

Ah, but there
Ain't nothin' wrong
Ain't nothin' right
And still i sit and lie awake at night

Oh, all of the d.j.s surely have taken a lesson
Try talkin' trash and i'll come with my smith and wesson

Enough d.j.s come with enough, enough stylee
But when i bust my lyrics we all know it's wicked and
wiley

Ain't nothin' wrong
Ain't nothin' right
And still i sit and lie awake at night

Oh, you better strapped with your gat if you wan' walk
with me
I bound to come down with the new stylee
Rockin' rubadub known as reggae music

Gonna come down with the new lyrics
'cuz it just ain't no thing
Oh, i said it's been a real long time

Oh, but there
Ain't nothin' wrong
Ain't nothin' right
And still i sit and lie awake all night,

Oh yea,

Oh yeah rubadub blender
A new mixer, go,
I am the one dj with enough flava ,it go
Here i go, here i'm come, heara the dubbed down d.j.
Lord have this grilled cheese

I mean ah, i am jamican but i ain't no freak
I caught the man ino with a ten pound bag of tweak
("ha ha ha-tweaking") -(eazy e - "damn.")

Hold on, though we call it ghost rider
Every time we see them you fulfill the danger

Ain't nothin' wrong
Ain't nothin' right
And still i sit and lie awake all night,

Oh, oh yea

Dreddy got a job to do,
And we might fulfill the mision
To see his pain would be his greatest ambition
But ah, we will survive in this world of compition
Using guns and our ammunition

Bo,bo,bo,bo,bo,bo,bo
Go,go,go,go,go,go,go,go,go,go,go,go,go

I won't wait so long mm,
I said i won't wait so long for you
Oh, oh, yeah mmm ooh oh

Hard to get so much

Hmm, stop your messin' around
Ah ah ah ah better think of your future
Ah ah ah ah time you straighten right out
Ah ah ah ah or you'll wind up in jail
