Oh, give me land, lots of land under starry skies above  
don't fence me in  
let me ride through the wide open country that i love  
don't fence me in  
let me be by myself in the evenin' breeze  
and listen to the murmur of the cottonwood trees  
send me off forever but i ask you please  
don't fence me in  
Just turn me loose, let me straddle my old saddle  
underneath the western skies  
on my cayuse, let me wander over yonder  
till i see the mountains rise  
I want to ride to the ridge where the west commences  
and gaze at the moon till i lose my senses  
and i can't look at hobbles and i can't stand fences  
don't fence me in  
Oh, give me land, lots of land under starry skies  
don't fence me in  
let me ride through the wide country that i love  
don't fence me in  
let me be by myself in the evenin' breeze  
and listen to the murmur of the cottonwood trees  
send me off forever but i ask you please  
don't fence me in  
Just turn me loose, let me straddle my old saddle  
underneath the western skies (do do-do, do do do-do-  
do-do)  
on my cayuse, let me wander over yonder  
till i see the mountains rise (ba be ba ba ba)  
I want to ride to the ridge where the west commences  
and gaze at the moon till i lose my senses  
and i can't look at hobbles and i can't stand fences  
don't fence me in, no  
pop, oh don't you fence me in
