[Intro (obie trice)]

Obie trice/real name no gimmicks

[Refrain 1]

2 trailer park girls go round me outside

Round me outside, round me outside

[Repeat refrain 1]

[Refrain 2]

Guess whos back, back again

Shadys back, tell a friend

Guess whos back, guess whos back,

Guess whos back

Guess whos back...

[Verse 1]

I've created a monster, cuz nobody wants to

See marshall no more they want shady I'm chopped
liver

Well if you want shady, this is what I'll give ya

A little bit of weed mixed with some hard liquor

Some vodka thatll jumpstart my heart quicker then a

Shock when I get shocked at the hospital by the dr.

when I'm not cooperating

When I'm rocking the table while he's operating

You waited this long now stop debating cuz I'm back,

I'm on the rag and ovulating

I know that you got a job ms. cheney but your husbands

heart problems complicating

So the fcc wont let me be or let me be me so let me see

They tried to shut me down on mtv but it feels so empty
without me

So come on and dip, bum on your lips fuck that,

Cum on your lips and some on your tits and get ready

cuz this shits about to get heavy

I just settled all my lawsuits fuck

You debbie!

[Chorus x2]

Now this looks like a job for me so everybody just
follow me

Cuz we need a little controversy,
Cuz it feels so empty without me

[Verse 2]

Little hellions kids feeling rebellious
Embarrassed, their parents still listen to elvis
They start feeling the prisoners helpless,
Til someone comes along on a mission and yells bitch
A visionary, vision is scary, could start a revolution,
pollutin the air waves a rebel
So let me just revel an bask, in the fact that I got
everyone kissing my ass
And it's a disaster such a catastrophe for you to see so
damn much of my ass you ask for me?
Well I'm back [batman sound]
Fix your bent antennae tune it in and then I'm gonna
Enter in and up under your skin like a splinter
The center of attention back for the winter
I'm interesting, the best thing since wrestling
Infesting in your kids ears and nesting
Testing attention please feel the tension soon as
someone mentions me
Heres my 10 cents my 2 cents is free
A nuisance, who sent, you sent for me?

[Chorus x2]

[Verse 3]

A tisk-it a task-it, I'll go tit for tat with anybody whos
talking this shit that shit.
Chris Kirkpatrick you can get your ass kicked
Worse than them little limp bizkit bastards, and moby
You can get stomped by obie, you 36 year old bald
headed fag blow me
You don't know me, you're too old let go it's over,
nobody listens to techno
Now lets go, just give me the signal I'll be there with a
whole list full of new insults
I've been dope, suspenseful with a pencil ever since
Prince turned himself into a symbol
But sometimes the shit just seems, everybody only
wants to discuss me
So this must mean I'm disgusting, but it's just me I'm
just obscene
Though I'm not the first king of controversy
I am the worst thing since elvis presley, to do black
music so selfishly
And use it to get myself wealthy (hey)
There's a concept that works
20 million other white rappers emerge
But no matter how many fish in the sea it'd be so empty

without me

[Chorus x2]

(Hum dei dei la la hum dei dei la la... la la la) [x2] kids
