It is the passion flowing right on through your veins  
And it's the feeling that you're oh so glad you came  
It is the moment you remember you're alive  
It is the air you breathe, the element, the fire  
It is that flower that you took the time to smell  
It is the power that you know you got as well  
It is the fear inside that you can overcome  
This is the orchestra, the rhythm and the drum

Com uma forÃ§a, com uma forÃ§a  
Com uma forÃ§a que ninguem pode parar  
Com uma forÃ§a, com uma forÃ§a  
Com uma fome que ninguem pode matar

It is the soundtrack of your ever-flowing life  
It is the wind beneath your feet that makes you fly  
It is the beautiful game that you choose to play  
When you step out into the world to start your day  
You show your face and take it in and scream and pray  
You're gonna win it for yourself and us today  
It is the gold, the green, the yellow and the grey  
The red and sweat and tears, the love you go. Hey!

Com uma forÃ§a, com uma forÃ§a  
Com uma forÃ§a que ninguem pode parar  
Com uma forÃ§a, com uma forÃ§a  
Com uma fome que ninguem pode matar

Closer to the sky, closer, way up high, closer to the sky

Com uma forÃ§a, com uma forÃ§a  
Com uma forÃ§a que ninguem pode parar  
Com uma forÃ§a, com uma forÃ§a  
Com uma fome que ninguem pode matar
