Forever
performed by Dee Dee

I'm all alone in bed
And I can't sleep
I'm feeling blue
I try to close my eyes
But all I'm thinking of is you
Baby, only you

I cry my eyes out baby
Wondering what I have to do
I look inside my heart
And know for sure this love is true

Day by day
Heart to heart
I hope that we will ever be together

Will it be
Me and you
I dream that our love will last forever

Hold me tight
In your arms
I know we have this strength to stay together

Walk with me
Hand in hand
I promise to be there forever
Forever

I'm all alone in bed
And I can't sleep
I'm feeling blue
I try to close my eyes
But all I'm thinking of is you
Baby, only you

Day by day
Heart to heart

I hope that we will ever be together

Will it be
Me and you
I dream that our love will last forever

Hold me tight
In your arms
I know we have this strength to stay together

Walk with me
Hand in hand
I promise to be there forever
Forever

Forever
Forever
Forever
Forever
