The Hives

Do what I want cause I can and if I don't
Because I wanna be ignored by the stiff and the bored
Because I'm gonna.
Spit and retrieve cause I give and receive
Because I wanna gonna get through your head what
the mystery man said
Because I'm gonna.
Hate to say I told you so.
I do believe I told you so.
Now it's all out and you knew cause I wanted to.
Turn my back on the rot that's been planning the plot -
because I'm gonna.
No need for me to wait - because I wanna.
No need two, three and too late - because I'm gonna.
Hate to say I told you so.
I do believe I told you so.
Do what I please gonna spread the disease
Because I wanna gonna call all the shots for the "No"s
and the "Not"s
Because I wanna.
Ask me once I'll answer twice cause what I know I'll tell
Because I wanna.
Sound device and lots of ice I'll spell my name out loud
Because I wanna, oh yeah?
