Here is the money that i owe you  
So you can pay the bills  
I will give you more  
When i get paid again

I hate those people who love to tell you  
Money is the root of all that kills  
They have never been poor  
They have never had the joy  
Of a welfare christmas

I know we will never look back  
You say you wake up crying  
Yes and you don't know why  
You get up and you go lay down  
Inside my baby's room

I guess i'm doing ok  
I moved in with the strangest guy  
Can you believe  
He actually thinks  
That i am really alive

I will buy you a garden  
Where your flowers can bloom  
I will buy you a new car  
Perfect shiny and new  
I will buy you that big house  
Way up in the west hills  
I will buy you a new life

Yes i will

I know all about that other guy  
The handsome man with athletic thighs  
I know about the times before  
With that obsessive little rich boy

They might make you think you're happy  
Yeah maybe for a minute or two  
They can't make you laugh

No they can't make you feel  
The way that i do

Chorus

I know we can never look back

Will you please let me stay the night  
No one will ever know

Chorus

I will buy you a new life
