Boys, I'm walkin' an thinkin'
Woo-ooo!
But I ain't doin' myself no good
Woo-ooo!
I'm walkin' an thinkin'
Woo!
But I ain't doin' myself no good
Yoo-hoo-hoo!
The one I love
Woo-ooo!
Done left the neighborhood

Well, I hate to hear
Woo!
That Illinois Central, blow
Woo!
I hate to hear
Woo!
That Illinois Central, blow
Woo-hoo!
It fly on just like
Woo!
It won't be back no mo-oh-ore'

'Well, alright let me hear ya, Mr. Davis'
'Play it for me one time'
'You know what I'm talkin' about'

'Lord, have mercy, man have it'
'Lord, have mercy!'

'That low part, Mr. Ransom
You know what I'm talkin' about'
'Play it, man'
'Ah, mercy, mercy, mercy!'

'That makes me get homesick
sho' enough, now'

I wanna tell you people
Woo-ooo!

What the Illinois Central will do
Woo-hoo!
I wanna tell you people
Woo!
What the Illinois Central will do
Woo-hoo!
It'll steal your woman
Woo-hoo!
And blow back after you

I have tried to give up
Woo!
But it's a hard old thing to do
(I'll show you!)
Woo-hoo!
I have tried to give the girl up
Woo!
But it's a hard old thing to do

Woo!
So, I just keep on drinkin', John Davis
Woo!
Because I just can't believe it's through.
