Spoken:

I know I may be young
But, I've got feelin's too
And I need to do
What I feel like doin'
So Let Me go
And just listen

Sung:

All you people look at me like I'm a little girl
Well did you ever think it be ok for me to step into this
world
Always sayin little girl don't step into the club
Well I'm just trying to find out why cuz dancin's what I
love (yea)

Get it Get it (6x)
(Do you like it)
(This feels good) [Panting]
I know I may come off quiet, May come off shy
But I feel like talkin, feel like dancin when I see this guy
What's practical is logical what the hell who cares
All I know is that I'm so happy when you're dancin there

Chorus:

I'm a slaaaaaaaaaave for you
I cannot hold it I cannot control it
I'm a slaaaaaaaaaave for you
I won't deny it, I'm not tryin to hide it

Bridge:

Baby, (I just want to dance next to you) don't You
wanna dance upon me, to another time and place
Baby, (Are you ready) Don't You wanna dance upon me
Leaving behind my name, my age.
(Let's go)
(Like that)
(You like it)
(Now watch me)
Get it Get it (6x)
(Do you like it)

(This feels good) [Panting]
I really wanna dance tonight with you (I just can't help myself)
I really wanna do what you want me to (I just feel I let myself go)
I really wanna dance tonight with you (wanna see you)
I really wanna do what you wanna do (Uh Uh Uh)
