Is This Love
performed by Terra Skye

Is this love
Cause I don't feel the same today
Will it be enough
To take away the pain

Is this love
Cause something's pullin' at my heart
I've been alone so long
I wouldn't know where to start

Oh my God
Will this feeling ever end
If it's only a dream
Don't wake me in the end

Is this love
Is this love
Is this love

Is this love
Something's pulling at my heart
I've been alone so long
I wouldn't know where to start

Oh my God
Will this feeling ever die
How can I explain to you
The way you saved my life

Is this love

Is this love
Something's pulling at my heart
I've been alone so long
I wouldn't know where to start

Oh my God
Will this feeling ever die

How can I explain to you
The way you saved my life

Is this love
Is this love
Is this love

Is this love
Something's pulling at my heart
I've been alone so long
I wouldn't know where to start

Oh my God
Will this feeling ever die
How can I explain to you
The way you saved my life

Is this love
Is this love
Is this love
