Well im-a going back down maybe one more time
Deep down home, october road
And I might like to see that little friend of mine
That I left behind once upon a time

Oh, promised land and me still standing
Its a test of time
Its a real good sign

Let the sun run down right behind the hill
I know how to stand there still till the moon rise up
Right behind the pine, oh lord

October road
(repeat)

Its the big-time life that I cant abide
Raise my rent. tan my hide.
Sweet call of the countryside
Go down slow. open wide.

I did my time
And it changed my mind
Im satisfied oh.
I got so low down, fed up
My god, I could hardly move
Wont you come on, my brother
Get on up and help me find my groove

Keep me walking, october road.
Keep me walking in the sunshine, yeah
A little friend of mine
October road
(repeat)
Help me now
