[talking]

Uhh uhh uhh.

You ready b? lets go get em..

[verse 1: jay-z]

Look for me! young, b

Cruisin down the westside - high, way

Doing what we like to do - our, way

Eyes behind shades, this necklace the reason

All of my dates been blind dates

But today, I got my thoroughest girl wit me

Im mashin the gas, shes grabbin the wheel, its true to  
the heart

She rides with me - the new bobby and whitney

Only time we dont speak is during sex and the city

She gets carrie fever, but soon as the show is over

Shes right back to being my soldier

Cuz mami is a rider, and Im a roller

Put us together, how they gon stop both us?

What ever she lacks, Im right over her shoulder

When Im off track mami is keepin me focused

So lets, lock this down like its supposed to be

The 03 bonnie and clyde, hov and b

[chorus]

[jay] all I need in this life of sin, is me and my  
girlfriend.

[bey] down to ride til the very end, its me and my  
boyfriend.

[jay] all I need in this life of sin, is me and my  
girlfriend.

[bey] down to ride til the very end, its me and my  
boyfriend.

[verse 2: jay-z]

The problem is, you dudes treat the one that you lovin  
With the same respect that you treat the one that you  
humpin

Now they bout nothin - if ever you mad about somethin  
It wont be that; oh no it wont be that  
I dont be at, places where we comfy at

With no be-atch; oh no you wont see that  
And no, I aint perfect - nobody walkin this earths  
surface is  
But girlfriend, work with the kid  
I keep you workin at kermain, burkin bag ( ? )  
Winolo ( ? ), timbs, aviator lens  
600 drops, mercedes benz  
The only time you wear burberry to swim  
And I dont have to worry, only worry is him  
She do anything necessary for him  
And I do anything necessary for her  
So dont let the necessary occur, yep!

[chorus]

[beyonce]  
(talk to em b)  
If I was your girlfried  
Ill be there for you, if somebody hurts you  
Even if its somebody ( ? )  
Yeah-hee (break it down for em)  
Sometimes I trip on how happy we could be  
And so I put this on my life  
Nobody or nothing will ever come between us  
And I promise Ill give my life  
And all of my trust if you was my boyfriend  
Put this on my life  
The air that I breathe in, all that I believe in  
I promise Ill give my life  
And all of my trust if you was my boyfriend

[chorus]
