And the bass keeps runnin, runnin and runnin runnin'

In this context, there's no disrespect
So when I bust my rhyme, you break ya necks
We got five minutes for us to disconnect
From all intellect and let the rhythm effect

Obstacles and inhibition follow your intuition
Free your inner soul and break away from tradition
Cause when we be out, girlies pull the heat out
You wouldn't believe how we wow shit out
Burn it 'til it's burned out, turn it 'til it's turned out
Act up from North West East South

[Chorus:]
Everybody, everybody, let's get into it.
Get stupid.
Get it started, get it started, Get it started,
Let's get it started, (HA)
Let's get it started, (In Here)
Let's get it started, (HA)
Let's get it started, (In Here)
Let's get it started, (HA)
Let's get it started, (In Here)
Let's get it started, (HA)
Let's get it started, (In Here)
Yeah.

Lose control, of body and soul
Don't move to fast, people, just take it slow
Don't get ahead, just jump into it
Y'all hear about it, the peas will do it
Get started, get stupid
Don't worry about it,
people will walk you through it

Step by step like your into new kid
Inch by inch with the new solution
Transmit hits with no delusion
The feeling's irresistable and thats how we move it

[Repeat Chorus:]

Runnin' runnin' and runnin' runnin'
and runnin' runnin'

C'mon y'all, let's get (coo-koo),

Lose your mind, this is the time
Y'all can't stand still,

Bob your head like b a boody
Up inside the club or in your Bentley
Get messy, loud and sick

So, come them now, do not correct it
Let's get ignorant, let's get hectic

[Repeat Chorus:]
