Then the rainstorm came over me
And I felt my spirit break
I had lost all of my belief you see
And realize my mistake
But time through a prayer to me
And all around me became still

I need love, love's divine
Please forgive me now I see that I've been blind
Give me love, loves is what I need to help me know my
name

Through the rainstorm came sanctuary
And I felt my spirit fly
I had found all of my reality
I realize what it takes

'Cause I need love, love's divine
Please forgive me now I see that I've been blind
Give me love, loves is what I need to help me know my
name

Oh I don't bet [don't bet], don't pray [don't pray]
Show me how to live and promise me you won't forsake
'Cause love can help me know my name

Well I try to say there's nothing wrong
But inside I felt me lying all alone
But the message here was plain to see
Believe in me

'Cause I need love, love's divine
Please forgive me now I see that I've been blind
Give me love, love is what I need to help me know my
name

Oh I, don't bet [don't bet], don't break [don't break]
Show me how to live and promise me you won't forsake
'Cause love can help me know my name

Love can help me know my name.
