This time, this time  
Making Christmas  
Making Christmas  
Making Christmas  
Making Christmas is so fine

It's ours this time  
And won't the children be surprised?  
It's ours this time

Making Christmas  
Making Christmas  
Making Christmas

Time to give them something fun  
They'll talk about for years to come  
Let's have a cheer from everyone  
It's time to party

Making Christmas, making Christmas

Snakes and mice get wrapped up so nice  
With spider legs and pretty bows  
It's ours this time

All together, that and this  
With all our tricks we're making Christmastime

Here comes Jack

I don't believe what's happening to me  
My hopes, my dreams, my fantasies

Won't they be impressed? I am a genius  
See how I transformed this old rat  
Into a most delightful hat

My compliments from me to you  
On this most intriguing hat  
Consider though this substitute  
A bat in place of this old rat

No, no, no, now that's all wrong  
This thing will never make a present  
It's been dead for much too long  
Try something fresher, something pleasant  
Try again, don't give up

All together, that and this  
With all our tricks we're making Christmastime

This time, this time  
Making Christmas, making Christmas  
It's almost here and we can't wait  
So ring the bells and celebrate

'Cause when the full moon starts to climb  
We'll all sing it out, 'It's Christmastime'
