Every day feels just the same  
But even so much has changed  
Since you're away  
Doesn't feel right  
To see the daylight  
If you're not here  
If you're not here with me

In my sleep  
I can still here you  
In my sleep  
I can still feel you  
Every word you say  
It was yesterday  
That you turned and walked away

Every night I sleep alone  
But nothing makes me feel alone  
Since your away  
Doesn't feel right  
To see the daylight  
If you're not here  
If you're not here with me

In my sleep  
I can still here you  
In my sleep  
I can still feel you  
Every word you say  
It was yesterday  
That you turned and walked away
