We've got stars directing our fate  
And we're praying it's not too late  
Millennium

Some say that we are players  
Some say that we are pawns  
But we've been making money since the day that we  
were born  
Got to slow down,  
Cause we'll low down.

Round and round in circles  
Live a life of solitude  
'till we find ourselves a partner someone to relate to  
Then we slow down,  
Before we fall down.  
We've got stars directing our fate  
And we're praying it's not too late  
'cause we know we're falling from grace  
Millennium

Live for liposuction  
Detax for your 'rents  
Overdose for Christmas and give it up for Lent  
My friends are all so cynical refuse to keep the faith  
We all enjoy the madness 'cause we know we're gonna  
fade away.

We've got stars directing our fate  
And we're praying it's not too late  
'cause we know we're falling from grace  
Millennium

Come and have a go if you think you are hard enough  
Come and have a go if you think you are hard enough  
Millennium  
Millennium

We've got stars directing our fate  
And we're praying it's not too late  
'cause we know we're falling from grace

Millennium

(Sometimes you know)

And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my eyes.  
And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my eyes.

We've got stars directing our fate (Millennium)  
And we're praying it's not too late (Millennium)  
'cause we know we're falling from grace (Millennium)

(And we won't stop)

We've got stars directing our fate  
And we're praying it's not too late  
'cause we know we're falling from grace  
Millennium (fades)
