(Mother-in-law)  
Mother-in-law  
(Mother-in-law)

The worse person I know  
(Mother-in-law)  
Mother-in-law  
A-she worries me so  
(Mother-in-law)  
Mother-in-law

If she'd leave us alone  
A-we would have a happy home  
Sent from down below  
(Mother-in-law)  
Mother-in-law  
(Mother-in-law)  
Mother-in-law

Satan should be her name  
(Mother-in-law)  
Mother-in-law  
To me they're bout the same  
(Mother-in-law)  
Mother-in-law

Ev'rytime I open my mouth  
Steps in try to put me out  
How could she stoop so low?  
(Mother-in-law)  
Mother-in-law  
(Mother-in-law)  
Mother-in-law

I come home wit' my pay  
(Mother-in-law)  
Mother-in-law  
She asked me what I've made

(Mother-in-law)  
Mother-in-law

She think her advise is a constitution  
But if she will leave that would be the solution  
And don't come back, no mo'

(Mother-in-law)  
Mother-in-law  
My-I-I-I  
(Mother-in-Law)

(Mother-in-law)  
(Mother-in-law)

Whoa-yeah!  
(Mother-in-law)

Mother-In-law  
My  
(Mother-in-law)
