"My Favourite Game"

I don't know what you're looking for
You haven't found it baby, that's for sure
You rip me up and spread me all around
In the dust of the deed of time
And this is not a case of lust, you see
It's not a matter of you versus me
It's fine the way you want me on your own
But in the end it's always me alone

And I'm loosing my favourite game
You're losing your mind again
I'm loosing my baby
Loosing my favourite game

I only know what I've been king for
Another you so I could love you more
I really thought that I could take you there
But my experiment is not getting us anywhere
I had a vision I could turn you right
A stupid mission and a lethal fight
I should have seen it when my hope was new
My heart is black and my body is blue

And I'm loosing my favourite game
You're losing your mind again
I'm loosing my favourite game
You're losing your mind again
I'm losing my baby
Using my favourite game

I'm loosing my favourite game
You're losing your mind again
I've tried but you're still here
I'm losing my baby
You're losing a saviour and a saint
