Would you be my girlfriend?
Would you be my girlfriend?
Would you be my girlfriend?
I like you, right...
Would you be my girlfriend?

I dont know why you care
He doesnt even know youre there
Cause he dont love your eyes
And he dont love your smile
Girl you know that aint fair

In the middle of the night
Is he going to be my your side
Or will he run and hide
You dont know cuz things aint clear
And baby when you cry
Is he gonna stand by your side
Does the man even know youre alive
I got an idea

Chorus:
Why dont you be my girlfriend
Ill treat you good
I know you hear your friends when they say
You should
Cuz if you were my girlfriend
Id be your shining star
The one wholl show you where you are
Girl you should be my girlfriend

Does he know what you feel
Are you sure that ts real
Does he ease your mind
Or does he break your stride
Did you know that love could be a shield

In the middle of the night
Is he going to be my your side
Or will he run and hide
You dont know cuz things aint clear

And baby when you cry
Is he gonna stand by your side
Does the man even know youre alive
I got an idea

Chorus

Ever since I saw your face
Nothing in my life has been the same
Ill walk around just saying your name
Without you, my world would end, yeah
Ive looked around this whole, damn place
And everythings as you were meant to be
My girlfriend, oh

Chorus

Girl you should be my girlfriend
Girl you should be my girlfriend
Girl you should be my girlfriend
Girl you should be my girlfriend
Girl you should be my girlfriend
My girlfriend
