Never made it as a wise man
I couldnt cut it as a poor man stealing
Tired of living like a blind man
Im sick of sight without a sense of feeling
And this is how you remind me
This is how you remind me
Of what I really am
This is how you remind me
Of what I really am

Its not like you to say sorry
I was waiting on a different story
This time Im mistaken
For handing you a heart worth breaking
And Ive been wrong, Ive been down,
To the bottom of every bottle
Its the words in my head
Scream are we having fun yet?

Yeah, yeah, yeah, no, no
Yeah, yeah, yeah, no, no

Its not like you didn't know that
I said I love you and I swear I still do
And it must have been so bad
Cause living with me must have damn near killed you

And this is how, you remind me
Of what I really am
This is how, you remind me
Of what I really am

Its not like you to say sorry
I was waiting on a different story
This time Im mistaken
For handing you a heart worth breaking
And Ive been wrong, Ive been down,
To the bottom of every bottle
Its the words in my head
Scream are we having fun yet?

Yeah, yeah, yeah, no, no
Yeah, yeah, yeah, no, no
Yeah, yeah, yeah, no, no
Yeah, yeah, yeah, no, no

Never made it as a wise man
I couldnt cut it as a poor man stealing
And this is how you remind me
This is how you remind me
This is how you remind me
Of what I really am
This is how you remind me
Of what I really am

Its not like you to say sorry
I was waiting on a different story
This time Im mistaken
For handing you a heart worth breaking
And Ive been wrong, Ive been down,
To the bottom of every bottle
Its the words in my head
Scream are we having fun yet?
Yeah yeah
Are we having fun yet [3x]
