Theres times where I want something more
Someone more like me
Theres times when this dress rehearsal
Seems incomplete
But, you see the colors in me like no one else
And behind your dark glasses youre...
Youre something else

Chorus:
Youre really lovely
Underneath it all
You want to love me
Underneath it all
Im really lucky
Underneath it all
Youre really lovely

You know some real bad tricks
And you need some discipline
But, lately youve been trying real hard
And giving me your best
And, you give me the most gorgeous sleep
That Ive ever had
And when its really bad
I guess its not that bad

(repeat chorus)

So many moons that we have seen
Stumbling back next to me
Ive seen right through and underneath
And you make me better
Ive seen right through and underneath
And you make me better
Better... better...

Lady saw:
You are my real prince charmin
Like the heat from the fire
You were always burnin
And each time youre around

My body keeps stalin
For your touch
Your kisses and your sweet romancin
Theres an underside to you
That so many adore
Aside from your temper
Everything else secure
Youre good for me, baby
Oh that, Im sure
Over and over again
I want more

Gwen:
Youve used up all your coupons
And all youve got left is me
And somehow Im full of forgiveness
I guess its meant to be

(repeat chorus)

Youre really lovely
Underneath it all
You want to love me
Underneath it all
Im really lovely
Underneath it all
And youre really lovely
